A telegram was received by the family in this city yesterday announcing the death of Miss Marilu Evans, eldest daughter of Rev. C. F. Evans, D. D.

\$100—Reward—\$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all stages and that it is curable. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the systems, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.

The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

THE TWO JOHNS.

The different characters, from the two fat cousins down to the policeman, are all funny and plenty of pretty girls help in the singing and dancing. This comedy has been continually presented for ten years in this country and has toured England and Europe for the past ten years. Seats now on sale at Ray's Drugstore.

THERE ARE OTHERS.

Lexington Also Cursed With Opera-House Hoodlums.

THE LEDGER yesterday contained a card from a good patron of the Opera-house, protesting against the outrageous conduct of a lot of hoodlums whose chief aim in life is to annoy others.

Maysville people, unfortunately, are not alone in suffering from this obnoxious element, as this from The Lexington Leader shows:

"The long suffered nuisance of boys and men congregating around the front door of the Opera-house during performances has at last abated. For this the thanks of the public is due to Chief of Police Jerry Reagan."

"Chief Reagan has detailed an officer at the Opera-house, and in the future the noisy and objectionable feature will not be tolerated."

It is hoped that Chief Donovan will take like action in this city.

If there is no law to protect a public assembly in a public house, the sooner the public finds it out the better.

If an officer who will do his duty will yank one of two of these blackguards out of the house, and if the Police Judge will give them a good fine and put them on the rockpile, it will have a healthy effect.

MILLIONAIRE'S POOR STOMACH.
The worn-out stomach of the over-fed millionaire is often paraded in the public prints as a horrible example of the evils attendant on the possession of great wealth. But millionaires are not the only ones who are afflicted with bad stomachs. The proportion is far greater among the widowers. Dyspepsia and indigestion are rampant among these people, and they suffer far worse ills than the millionaire unless they avail themselves of a standard medicine like (from August Flower) which has been a favorite household remedy for all stomach troubles for over thirty years. August Flower cures the torpid liver, thus creating appetite and insuring perfect digestion. It tones and vitalizes the entire system and makes life worth living, no matter what your station. Trial bottles, 25¢; regular size, 75¢. At Henry W. Bay's, next door to Postoffice.

Dying Invites Disease.

To cure Dyspepsia or indigestion it is no longer necessary to live on milk and toast. Starvation produces such weakness that the whole system becomes an easy prey to disease. Kodol Dyspepsia Cure enables the stomach and digestive organs to digest and assimilate all of the wholesome food that one cares to eat, and is a never failing cure for indigestion, dyspepsia and all stomach troubles. Kodol digests what you eat—makes the stomach sweet. Sold by J. Jas. Wood & Son, Druggists.
